5 June 1956

Dear Kelly:

In our letter of 14 May 1956, we discussed certain arrangements to be made for personnel traveling overseas. Now that our first TDY personnel are starting to return to the ZI from Base "A", we wish to add the following:

1. All personnel returning to the ZI should forward to Headquarters, via registered mail, all documentation; i.e., passport, I.D. cards and military travel orders.
2. Headquarters may wish from time to time to see certain persons returning from the field. In such cases we will contact the field prior to the departure of the personnel concerned and request that they return via Washington, D.C. Such personnel reporting to Headquarters will also be able to return all documentation at that time, such as passport, I.D. cards and military travel orders.

Sincerely,

25X1
